

SUBSCRIBER FIELD SURVEY

NAME \_\_\_\_\_ TELEPHONE # \_\_\_\_\_

ADDRESS \_\_\_\_\_

Mid Century Telephone Cooperative is requesting your permission to place and maintain underground service wire on your property. Underground obstacles owned by utility companies will be located through a call by MCTC to Julie. ALL other underground obstacles as listed below need to be located by the LAND OWNER. Please sketch the position of underground obstacles that may impair installation of a phone line in the area supplied below. Underground obstacles may include the following:

- Septic tanks
- Underground dog fence
- Satellite cable
- Propane gas lines
- Electric lines not supplied by utility company
- Waterlines and tiles

SKETCH OF HOUSE AND PROPERTY

MID CENTURY WILL NOT INSTALL THE SERVICE WIRE UNTIL ALL LOCATING IS DONE AND THE SURVEY SHEET IS SIGNED.

Please indicate your permission by signing this form and returning it to us.
