Nominating Committee and Elections

What is a Nominating Committee and why do we have one?

The Mid Century Telephone Cooperative bylaws require a Nominating Committee be appointed to nominate members for election to the Board of Directors at the Annual Meeting. The bylaws require at least five and not more than 11 members and at least one member from each district seeking election.

The board will appoint the committee at the May 26th Board Meeting. The list of members will be posted on midcentury.com, the [group facebook page](#), or you can contact the office by phone at 309-778-8611 or send an email to info@midcentury.com and request the information.

The Nominating Committee will be seeking nominations for 3-year terms in the following districts:

District 2 - Ellisville, Marietta, Smithfield

Incumbent - Bruce Mahr, Term Expired

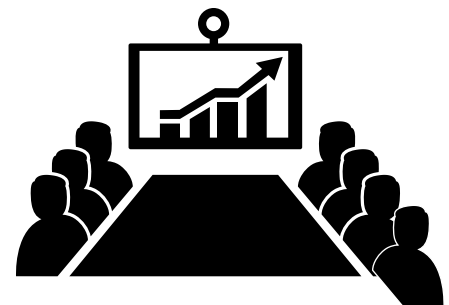

District 6 - LaFayette

Incumbent - Tonya Pike

The Committee will provide nominations for each of the districts when they meet on July 11, 2022. Candidates will be posted on the website and social media or you may contact the office.
