## YOUTH DAY AND YOUTH TO WASHINGTON, D.C. ARE BACK!

We are excited to announce the Annual Youth Day and Youth to Washington, D. C. programs are back. We were unable to participate the last three years due to COVID-19.

For over 60 years, the electric and telephone cooperatives of Illinois have given tomorrow's leaders the opportunity to learn from today's public officials. Each year, over 300 outstanding students get an up close and first hand look at democracy in action when they meet their elected representatives during Illinois Electric and Telephone Cooperatives Youth Day. Over the years, thousands of students have

learned how government works and why it's important for every citizen to get involved in it. State senators and representatives have the opportunity to inspire and encourage the leaders of tomorrow during this annual event, held in Springfield.

Mid Century will sponsor up to two sophomore or junior students from each high school in our service area on the annual Youth Day event held March 29, 2023 in Springfield. Students that participate in the event have the opportunity to be selected to represent Mid Century on the Annual Youth to Washington, D. C. tour in June 2023.

If you would like more information please contact the Marketing Department at Mid Century by calling 309-778-8611 or emailing [marketing@midcentury.com](mailto:marketing@midcentury.com).
