

When you can't be there, **Be On Their TV**

JubileeTV connects your phone directly to your loved one's TV, so you can control it remotely. Fix the TV, quietly check in or start a video call — from wherever you are.

What Is JubileeTV?

JubileeTV turns your loved one's existing TV into an easy tool for connection and care. No new tech to learn. Fix the TV, look in quietly, and connect face-to-face — all from your phone.

Help out. Check in. Stay close.

- ✓ Mirror their TV to see what they see
- ✓ Control their TV remotely - turn it on, up, put on a show
- ✓ Quietly check in with one-way video
- ✓ Monitor daily routines
- ✓ Connect video calls automatically on their TV

For Families with Aging Loved Ones

- Living at home with or without care
- In independent living, assisted living, or memory care
- Managed by adult children, remote caregivers, or POAs

About JubileeTV Membership

Your JubileeTV Membership includes all the hardware you need and unlimited app access.
